

# FAEMSE NEWS

April 2019

The Florida Association of Emergency Medical Services Educators (FAEMSE) is a member-oriented association organized to provide resources to individuals and organizations that will foster excellence in EMS education and training. The vision of FAEMSE is to be the foremost resource within Florida's EMS educational community

## Appendix G upcoming for CoAEMSP!

Hopefully you have reviewed the upcoming Appendix G for CoAEMSP. These changes are in effect for any new student starting after July 1, 2019.

**BE SURE TO SET AND APPROVE YOUR PROGRAM MINIMUMS WITH YOUR MEDICAL DIRECTOR AND ADVISORY BOARD PRIOR TO JULY 1, 2019.**

## Institutional Spotlight..

Is your school doing great things and have photos to show it. Be our first school spotlight in the July 2019 issue of the FAEMSE News. Send request and reason why your school should be highlighted. This is your time to brag! Send to [bmcgrath@semedicalacademy.com](mailto:bmcgrath@semedicalacademy.com)

Send them to us...**

## What is FAEMSE doing for you?

- New EMS Adjunct Academy to be hosted free to members starting at clincon in July. Stay tuned for details via the list serve. You will need to pre-register. Non-members will be able to attend for a fee
- EMT/Paramedic wellness program to be filmed in July/August. This program, supported by FAEMSE, will introduce stress and wellness for the new EMS provider in an easy plug and play program available to all schools.
- Website will be undergoing revisions for a document share section for members only
- Letters from the Board generated to MQA regarding collection of specific Paramedic testing data from NREMT and to NREMT addressing programmatic accreditation.
